

We are constantly growing and are currently looking for
Construction assistants (m/f/d)
in the specialist areas of concrete repair, corrosion protection and
floor coating
in our plant in **Albrechtshain**

Benefits:

- We offer competitive payment.
- Show your potential and climb the career ladder.
- We think about your future and offer a company pension.
- With us, you are part of a great team where everyone supports everyone.
- With us, you count as a human being, not just as an employee.
- From goggles to safety boots – we take care of your safety at work.
- We offer open-ended contracts.

Tasks:

- General support activities: Assist with various construction tasks as needed.
- Carrying out easy-to-learn manual tasks
- Setting up, securing and clearing construction sites: organizing and securing construction sites and clearing up.
- Auxiliary and support activities: Assisting with demolition, gutting and refurbishment work.

Profile:

- Basic technical knowledge in the areas of concrete repair, corrosion protection and floor coating.
- Technical training (desirable, but not essential)
- Willingness to assemble
- Reliable and responsible in handling materials and technology.
- Conscientious and careful way of working.
- SIVV license: Possession of an SIVV license is desirable.
- Valid driving license (class B) for operating company vehicles.

If you would like to demonstrate your manual skills as a construction helper and develop your career in a dynamic team, we look forward to receiving your application. Please send your documents to bewerbung@dietrich.de with the subject "Application Helper Albrechtshain".
