

We are constantly growing and are currently looking for
Foreman (m/f/d)
in the field of coating, concrete repair and building protection
in our plant in **Hofheim/Wallau**

Benefits:

- We offer competitive payment.
- Show your potential and climb the career ladder.
- We think about your future and offer a company pension.
- With us, you are part of a great team where everyone supports everyone.
- With us, you count as a human being, not just as an employee.
- From goggles to safety boots – we take care of your safety at work.
- We offer open-ended contracts.

Tasks:

- Coordinate and motivate your team to achieve top performance together.
- Ensure compliance with relevant safety regulations on the construction site.
- Exchange information on the execution of the service and report on possible complications such as bad weather or incidents.
- Responsible for the scheduling of personnel, materials and equipment to ensure smooth process organization.
- Accurately record and document all relevant measurements.
- Careful rust removal and pre-treatment of surfaces.
- Comprehensive implementation in the field of industrial corrosion protection.

Profile:

- Basic technical knowledge in the areas of concrete repair and industrial coatings
- Technical training (desirable, but not essential)
- Willingness to assemble
- Reliable and responsible in handling materials and technology.
- Conscientious and careful way of working.
- Valid driving license (class B) for operating company vehicles.

If you would like to demonstrate your technical skills as a foreman and develop your career in a dynamic team, we look forward to receiving your application. Please send your documents to bewerbung@dietrich.de with the subject "Application for Foreman Hofheim/Wallau".
